Subject: DIZ Board Digital Links Newsletter 31/5/19

Hello All,

Please find below this week's links of interest.

I would like to gauge partner's views on how useful this weekly newsletter of links is for you. You should find, above, a Vote dropdown button and a list of options. Please select the most relevant and an email will be sent back to me with your response. When voting you will also have the option to edit your response before sending so if you have any particular observations or comments you would like to make about the newsletter please do so. Responses will be reviewed and discussed in order to improve the newsletter and potentially used anonymously in a future report to the DIZ Board but individuals and their responses will not be identified. If you are happy for me to do so, I may get back in touch to discuss your comments further but please do indicate if you would prefer that I do not.

Please answer from your own perspective. I will gauge the extent to which the list is more widely shared with colleagues and partners in a future vote.

Any questions, please let me know.
